Easily Eliminate Hard Water with Marlo CTC Water Softeners

Hard water can be a lot more problematic than you think. It can cause buildup of mineral scale inside your appliances and plumbing. It can block your water supply and cause appliances like dishwashers and washing machines to fail. Hard water stains kitchen and bathroom fixtures and also reduces the effectiveness of soaps and detergents, meaning

that you and your clothing don't get as clean. End the troubles of hard water with a Marlo water conditioner. Our CTC series water softener removes hard minerals from your water leaving it soft and clean. Soft water saves you money. Enjoy the benefits of a Marlo water softener. Call and order yours today!

Take a look at the advantages of using a Marlo water softener:
