

Marlo CMP Combination Water Softener & Filter

Features

- **Dependable Fully Automatic Controls.** State of the art control design assures top performance and ease of use in one of the industry's most reliable water conditioners.
- **Fewer Parts Than Comparable Valves.** Fewer parts and minimum number of sealing members ensures reliable, trouble-free performance.
- **Economy Salt Saving Brine Control.** Precision brining cycle increases salt efficiency and assures minimum water usage during regeneration.
- **Automatic Bypass During Regeneration.** During regeneration, bypass water is automatically available.
- **Outstanding Warranty and Product Assurance.** Product materials and workmanship are protected with a written warranty that you can depend on. You will know you have complete product protection even though you may never need it.

For the Laundry

Clothing looks cleaner with reduced fading and fabric wear. Clothing life can be extended by as much as 15%. Soap and detergent consumption can be substantially reduced.

For the Kitchen

Dishes and glasses look cleaner and brighter.

For the Family

Hard water can cause dryness. Skin and hair washed in soft water look and feel better.

For the Home

Water using appliances last longer. Softened water maintains energy efficiency.
